

Insieme a Chicago presents: CANTA

IN ITALIANO!

This is a very special **6 weeks SING ALONG** for kids **4 to 12 years old** to have fun with music and the Italian Language.

Our students will be engaged in a vocal and body warm-up; they will listen to a variety of Italian songs and learn the basics of singing as a choir, accompanied by an instrument, a cappella or a track.

After this 6 weeks session, our teacher Natalja's objective is to continue a regular class with dedicated students who love to sing and want to build *the first Insieme a Chicago choir*.
