

IL TEATRO DELL'ANTICA ROMA: A CREATIVE SUMMER CAMP IN ITALIAN

The beautiful Roman actress Aurelia is magically transported from her beloved *Circo Massimo* in the year 240 a.C. to Chicago in the year 2018. Here, she finds herself in a big room surrounded by kids of all ages. These kids are the smart and courageous students of *Insieme a Chicago*, who will welcome Aurelia in their fun summer camp, asking her to tell them her story: where is she coming from? What is one of her typical day in the Ancient Rome? What are the “*ludi*” performed at the *Circo Massimo* and why were they created? Guided by her narration and her story, we will travel back in time and we will use our powerful imagination to recreate the famous “*ludi romani*” combining words, theatre, dance, music and art. Each day, Aurelia will tell us a piece of her story and she will prompt us to help her recreating “*il teatro danza*”, “*i mimi*”, “*il circo*”, “*le gare equestri*”, “*le naumachie*”, “*il gioco della maschera*” and much more! Students age 3-14 years old of all levels are welcome! They will be divided into age appropriate groups, so that they will all be able to understand and be part of this so very special adventure. Our outdoor/indoor camp will be 100% in Italian. See you all nell'Antica Roma!
